## NO HOLIDAYS FOR OFFICERS

The overzealous Region Head (RH) of Mumbai Metro South Region has issued Notice to All Branch Heads of Mumbai Metro South Region on 18 Nov, 2021 which says,  
"For the sake of "Boom Boom CASA" campaign it has been decided that all Executives & Officers working in the Branches/ SMELF/ SME Cell of MMSR will work on Holidays (second and fourth Saturdays & Sundays) till the quarter end of the year."

"All the Officers must compulsorily attend the Branches on the said Holidays till the quarter end for achieving all targets and to improve/ boost the performance of CASA and Retail Growth of our Region."

It's a 'fatwa.' (फतवा) by RH.

What legal, ethical, moral right he has to cancel weekly holidays of hard working, overburdened and stressed Officers' holidays ?

Our Bank's Chairmen have talked about importance of proper rest and periodic leave, holidays while talking to press and media. Those interviews are highlighted and given wide publicity. Was it a farce ?

Many staff members and their family members were infected by Covid. Many became victims of pandemic. Did MMSR RH and his executives meet those families ? Has any dependent of Covid Victim got job on Compassionate grounds ? The answer is NO.

During pick period of pandemic and resultant lock downs, Bank employees kept Branches open on all working days. They fought against all odds like no transportation, no common facilities such as restaurants, canteen. Has any top executive taken note of it ?

On the contrary they isolated themselves like quarantined persons. They locked themselves in their own cabins. Customers and even staff members were not allowed to meet them. Such executives have no moral right to talk about Campaigns and customer service.

For campaigns extra staff is needed. Reality is that no branch has adequate staff to do regular work in business. Even during Diwali days medium sized branches worked with three staff. MMSR RH knows it.

Officer brothers and sisters, your health is important. It's more so during these pandemic ridden days. You need rest for regular recuperation. Unfortunately if you die due to stress, your family will not only lose the bread winner but also the bread as nobody will entertain their request for job on compassion. You will be forgotten forever. Your brave deeds and obedience will go with the wind.

Bank Of Baroda is like mother for us. Please do everything for growth and reputation of Bank Of Baroda. But don't risk your health and life. Throw this dictator's fatwa (फतवा) to dustbin.

We have written a separate letter to our Bank's MD & CEO in this regard.

**All the Best.**

Thank you.
